

## Fireproofing Materials

The following is a list of fireproofing materials/providers available to the general public. Please be aware that a certificate is not necessary for this event.

1.

Coit Cleaners will fireproof any materials/floats and provide you with a certificate of compliance. You must call Coit and make an appointment to bring your materials to them. Cost - a bit higher than self fireproofing at **\$60.00/hr. plus materials (fireproofing spray) used.**

2.

Fireetc.com sells Safety Guard fireproofing spray via mail order. You can contact them at 800-380-8801 or at their website. I don't have any information on curing time for this product. Cost - **\$28.00/gallon.**

3.

Flamestop.com sells Flame Stop 1 or 1DS fireproofing spray. This product will cure in 48hrs. and they promise to deliver in three (3) days time. To purchase go to their website and select the products page.

Cost - **\$59.95/gallon which will cover about 300 sq.ft.** (They also have five (5) gallons available for \$180.00).

4.

Laboratory Safety Supplies sells Instant Fire Retardant Spray.

WWW.LSS.com or 1-800-356-0783

1-3 bottles - \$15.00 each (4+ bottles \$14.35 each).

This product is not an "instant" fireproofing you need to read the directions for curing time.
